The Scramble

Students take risks and build confidence in *The Scramble* as they navigate a spiral slide, two towers and a netted catwalk suspended more than 40 feet high.

Socks required in *The Scramble*.

Explore our Interactive Exhibits

Imaginopolis

Adapt to new and ever-changing environments in *Imaginopolis*. Featuring an array of whimsical objects, this fantastical play space inspires students to shape and share their own adventures.

Creativity Jam

in the Target Gallery

Think creatively and challenge assumptions in *Creativity Jam*, a lively and bright collaborative space with face painting, loose parts and surprising materials!

Our World

in the Best Buy Gallery

Cooperating with others in *Our World*, students play various roles in a vibrant Minnesota city with a fire station, hardware store, post office, food stand and more.

Forces at Play

in the 3M Gallery

Forces at Play encourages thinking outside the box as students devise their own challenges and dive into air and water play. Budding engineers build air-powered ping pong ball launchers and scrub a wacky vehicle in a sudsy car wash.

The Studio

in the Target Gallery

Gain confidence and stretch ideas about what's possible in *The Studio*. Students tinker, make and create in a mess-friendly workshop with real tools and authentic materials.

Super Awesome Adventures

Students collaborate with others to create heroic tales in *Super Awesome Adventures*, an action-packed exhibit featuring a ninja laser maze, carpet skate park, balance boards and green-screen climbing wall.
