Holiday Children's Show, Fun For All Ages

Prince Victor is so proud and vain that he believes he's never going to find a suitable bride as smart and good-looking as himself. That is until a poor, kindhearted maiden named Madeline is sent to the palace by a mysterious wolf. Prince Victor is enchanted by her and is certain he's found his match. However, to win Madeline's heart the Prince must first prove himself to be a worthy match to her.

This enchanting and funny musical fairy tale is a perfect story for the holiday season and is a great way to introduce children of all ages to the magic and fun of theater.
